Rector Named Life Member of the VA IASIU

In recognition of his longtime service and outstanding contributions, Virginia State Police Lieutenant W Roger Rector, Jr. has been honored with a Lifetime Membership in the Virginia Chapter of the Virginia Association of Special Investigation Units (VA IASIU). The announcement was made during the VA IASIU's Annual Seminar awards luncheon on Wednesday, May 12, 2010.

Frank Dunton, vice president of investigations with Virginia Farm Bureau presents the Lifetime Member Award to Lieutenant W. Roaer Rector.

"I'm honored to present Lt. Rector with a lifetime membership in the Virginia Chapter of the IASIU," said Frank Dunton, vice president of investigations for Virginia Farm Bureau and one of the chapter founders.

"Roger started in the Insurance Fraud Program shortly after it was established in the Department of State Police more than 10 years ago," commented Dunton, "and has always been an active supporter of the organization, contributing to its training activities and building relationships between the IASIU and the State Police."

Rector has been with the VSP almost 40 years, beginning his career as a trooper and working in areas of arson and bomb, narcotics, white collar crime, and conspiracy investigations. He transferred to Insurance Fraud in 1999, where he worked until a new assignment took him to a different division in the Department.

Founded in 1992, the VAIASIU is a non-profit organization dedicated to promoting a coordinated effort within the industry to combat insurance fraud; providing education and training for insurance investigators; developing greater awareness of the insurance fraud problem; encouraging high professional standards of conduct among insurance investigators; and supporting legislation that acts as a deterrent to the crime of insurance fraud.
